

How To Play

Players: 2+

Materials: Game Board, 1 Die, 5 game Pieces, Playing Cards

- Each player chooses a playing piece. Distribute playing cards evenly among players, content side down, number side up.
- Before you begin, go to www.kesherlink.org to access the digital timeline. You can download it to fill in your answers digitally, or print out to fill out a hard copy.
- Roll the die to see who goes first.
- Players begin with their pieces off the lower left-hand corner of the board at **START**. They advance according to number (1 – 6) rolled.
- When player lands on a ladder or slide, s/he advances up to the connected graphic square.
- Player is handed the corresponding card and reads event out loud to entire group. Each time you land on an icon and read the card out loud, fill in the answer and date in the field with the corresponding icon.
- First player to get to 100 wins!
- When you have finished the game, you will have created a timeline that shows the historical evidence of a continuous Jewish presence in Israel.
